## EDUCATION

### Master of Science

Expected 08/2023

Western University / Schulich School of Medicine and Dentistry (London, ON)

- Master of Science candidate in Biochemistry
- Supervisor: Dr. Bogumil Karas ✎

### Master of Science

09/2020-12/2020 (withdrawn from program)

University of British Columbia (Vancouver, BC)

- Master of Science candidate in Botany

### Bachelor's Degree (Hons): Science

04/2020

Western University (London, ON)

- Honors Specialization in Genetics

### Ontario Secondary School Diploma

06/2016

Marshall McLuhan Catholic Secondary School (Toronto, ON)

- Ontario Scholar Distinction
- Extended French Certificate
- Gifted Program (Grade 9 – 12)

## PROFESSIONAL EXPERIENCE

### Summer Researcher

04/2021 – 08/2021

Western University / Schulich School of Medicine and Dentistry (London, ON)

- Supervisor: Dr. Bogumil Karas ✎
- Project title: Towards a synthetic algal chloroplast: a streamlined platform for creating designer chloroplast genomes in *Phaeodactylum tricornutum*.

### Snowboarding Instructor

12/2020 - 04/2021

Cypress Mountain Snow School – Cypress Mountain (Vancouver, BC) ✎

### Research Participant / Thesis Student

06/2019 – 04/2020

London Research and Development Centre – Agriculture and AgriFood Canada (London, ON) ✎

**Summer 2020 contract cancelled due to COVID-19**

- Supervisor: Dr. Krzysztof Szczygłowski
- Project title: Shaping the root: assessing a dose dependent role of the *Lotus japonicus* *HAR1* receptor kinase gene

### Summer Student

06/2019 – 08/2019

Biochemistry Summer Research Program – Western University (London, ON)

- Supervisor: Dr. Bogumil Karas ✎

### Snowboarding Instructor

01/2019 – 03/2019,

Boler Mountain Snow School – Boler Mountain (London, ON) ✎

12/2019 – 03/2020

- Beginner – Intermediate skill range
- 70+ students across group and private lessons

### Internship

05/2018 – 08/2018

MolecuLight Inc. – MaRS Discovery District (Toronto, ON) ✎

- Case report forms: Data collection and processing
- Microbiological data analysis
- Literature reviews: Microbiology and Healthcare Economics
- Market research
- Competitor analyses
- Social media content strategy
- Website design aid and QA

**Private Snowboarding Instructor**

12/2016 – 03/2017

- Single client at novice skill level

**Private Tutor**

06/2014 – 08/2016

- Primary focuses: Biology and Chemistry
- Secondary focuses: Mathematics, Physics, and English

**EXTRACURRICULAR INVOLVMENT****Seed your Startup 2023 Semi-Finalist***Morrisette Institute for Entrepreneurship (London, ON)* ✎

11/2022 – 01/2023

- Semi-finalist amongst two other student “co-founders” in North American business plan competition
- Business plan entailed developing roadside drug screening devices for law enforcement services

**2023 Ivey Business Plan Competition Semi-Finalist***Ivey Business School (London, ON)* ✎

11/2022 – 01/2023

- Semi-finalist amongst two other student “co-founders” in North American business plan competition
- Business plan entailed developing roadside drug screening devices for law enforcement services

**London Track3 Adaptive Snow School Instructor***London Track3 Ski School – Boler Mountain (London, ON)* ✎

12/2019 – 03/2020

12/2021 – 03/2022

12/2022 – Present

- Snowboarding instructor for children and adults with physical, developmental, visual, and hearing challenges

**Community Representative***Biochemistry Graduate Students Association – Western University (London, ON)* ✎

09/2021 – Present

- Entailed promoting department or making a positive impact in the local community
  - ♦ Organized donation drive in partnership with Diabetes Canada
  - ♦ Organized biochemistry exhibit with Science Rendezvous

**Science Rendezvous Organizer***Science Rendezvous – Western University (London, ON)* ✎

07/2022

- Organized booth for Biochemistry Department to promote science to children and parents
- Performed hands-on DNA extraction demos from fruit

**cGEM Competition Judge**

10/2021

*cGEM* ✎

- Judge for national biotechnology competition in Canada

**Community Representative**

10/2020 – 04/2021

*SynBio Canada* ✎

- Update SynBio Canada executives on synthetic biology research at UBC and BC province

**iGEM Graduate Advisor**

10/2020 – 12/2020

*UBC iGEM – University of British Columbia (Vancouver, BC)* ✎

- Aid in different aspects of UBC undergraduate iGEM research project

**Council Member (Botany Department Representative)**

09/2020 – 12/2020

*Graduate Student Society – University of British Columbia (Vancouver, BC)* ✎

- Speaker on behalf of department needs to student government body
- Elected as representative by Botany Graduate Student Association
- Member of the elections committee

**Writer / Researcher**

09/2018 – 04/2019

*Western University Technology Review – Western University (London, ON)* ✎

- Writing articles on novel technologies for a local audience
- Sustainability department

**Chito Ryu Karate Training**

2004 – 2016

*Higashi Dojo (Toronto, ON) ✎*

- 1<sup>st</sup> Dan Black Belt in Chito Ryu Karate
- Weekly senior and youth group training
- Tournament competitions
  - ♦ Kata: 4 gold, 3 bronze; Kumite: 3 gold, 1 silver, 3 bronze
- Various demonstrations at other dojos and events

**Snowboarding Team**

2014 – 2016

*Marshall McLuhan Catholic Secondary School (Toronto, ON)*

- Participated in racing events at Mount St. Louis Moonstone (Coldwater, ON)

**CASI Level 1 Program**

12/2015

*Canadian Association of Snowboard Instructors – Lakeridge Ski Resort (Uxbridge, ON) ✎*

- Obtained CASI Level 1 Snowboard Instructor Certification

**Staff in Training**

07/2015 – 08/2015

*Seneca Summer Camps – Seneca College (Toronto, ON)*

- Mini-Multi's Sports Camp (ages 4 – 6)
- Engaging enthusiastically w/ children
- Planning and organizing weekly activities

**Model United Nations (CHAMUN)**

04/2015

*Chaminade College School (Toronto, ON)*

- Researching, debating, and cooperative problem-solving w/ regards to contemporary political issues

**Leader in Training Program**

07/2014

*Seneca Summer Camps – Seneca College (Toronto, ON)*

- Focuses: management, decision making, and problem-solving skills

**AWARDS****Chair's Travel Award**

09/2022

*Issued by the Department of Biochemistry of the Schulich School of Medicine & Dentistry*

- Issued to promote communication of research findings by supporting participation at international conferences.
- \$500

**Canada Graduate Scholarships – Master's Program**

09/2022

*Issued by the Natural Sciences and Engineering Research Council of Canada (NSERC)*

- \$17,500

**Ontario Graduate Scholarship**

09/2022

*Issued by the Ontario Government*

- \$15,000
- Awarded but declined due to conflict with NSERC award

## CONFERENCES / PRESENTATIONS

**International Conference on Algal Biomass, Biofuels and Bioproducts (AlgalBBB 2023)** 06/2023  
*Waikoloa Beach, Hawaii, USA*

- Selected to present oral presentation.
- Title: Towards synthetic diatoms: The Pt-syn 1.0 project.

**2023 Bioenergy Conference** 01/2023  
*Webinar*

- Speaker for 15 min presentation
- Title: Genetic engineering advances in diatoms

**SynDiatoms 2022 Workshop** 12/2022  
*Webinar*

- Speaker for 15 min presentation
- Title: Optimizing transformation methods for *Phaeodactylum tricornutum*

**Nanopore Community Meeting 2022** 12/2022  
*Metropolitan Pavilion (New York City, NY)*

- Attendee for the workshop: An introduction to machine learning for Oxford Nanopore data, entailed;
  - ♦ Building a basic basecaller using HMM's
  - ♦ Building a variant caller for using a convolutional neural network in PyTorch.

**Canada SynBio 2022** 05/2022  
*MaRS Discovery District (Toronto, ON)*

- Submitted abstract and selected for both oral (1/4 presenters) and poster presentations

## TECHNICAL SKILLS

### Computer Software Experience

- **Microsoft Office** (including **Excel**) – Proficient
- **Krona** – Proficient
- **NCBI BLAST** – Intermediate
- **SnapGene** – Intermediate
- **ML-DSP** – Novice
- **FigTree** – Novice
- **Benchling** – Proficient
- **PyMOL** – Novice
- **DNASTAR** – Novice
- **Adobe Photoshop** – Intermediate
- **Adobe Illustrator** – Intermediate
- **Sony Vegas Pro** – Intermediate
- **Audacity** – Intermediate

### Laboratory Experience

- DNA / RNA isolation
- DNA assembly / delivery
- Microbiology techniques
- Bisulfide Conversion
- Sanger Sequencing
- qRT-PCR
- CRISPR–Cas editing
- Nanopore Sequencing
- Bioinformatics for genomics

### Technique Familiarity

- Western Blotting
- Agroinfiltration
- Hairy root transformation
- GUS staining
- Minisatellite/Microsatellite analysis
- Fluorescence *in situ* hybridization
- Chaos Game Representation
